Cases

Caſes publiſhed at the Requeſt of a worthy Clergyman who adminiſter'd the Medicines, continued.

MARGERY Watkins, of the Pariſh of Kilpeck, Herefordſhire, was ſeized (Sept. 12) with the ſame Symptoms as her Siſter Mary Minton. She took two Doſes, 20 Grains each, of Dr. James's Powder, and immediately recovered.

John Parry, of the ſame Pariſh, a robuſt ſtrong Man, was (Nov. 7) taken with alternate Fits of Heat and Cold, which continued two or three Days, in which Time he was twice blooded. A Fever attended with the Symptoms, as in the Caſe of Mary Minton, and an Inflammation of the Lungs ſucceeded. He was again blooded, and took two or three Cooling Draughts. Nov. 15 he became delirious, and the Inflamation ſo violent he could ſcarce breathe. He now took two Doſes, 20 Grains each, of Dr. James's Powder, which had no viſible Effect. The Deliriums were without Intermiſſion, and a Twitching of the Tendons now appeared. He took a large Doſe of Muſk and Nitre, and ſtimulating Cataplaſms were applied to his Feet. Nov. 17 Dr. James's Powder was repeated. His Urine now depoſited a copious Sediment, and a fourth Doſe completed the Cure.

Lettice Bevan, of the ſame Pariſh, aged about 25, of an Hectic conſtitution, was taken (Nov. 10) with the beforementioned Symptoms, in the Caſe of Mary Minton. She loſt ten Ounces of Blood in the Beginning of the Diſorder. She was reduced ſo low by the 15th of the ſame Month, that herſelf and Friends deſpaired of her Recovery. Her Pulſe was extremely low and trembling, and Extremities cold. She took three Doſes, 10 Grains each, of Dr. James's Powder; but, from a ſettled Perſuaſion that 'twas impoſſible for any Medicine to ſave her Life, ſhe could not be prevailed upon to take any more: Theſe, however, gained her a Reſpite of a Fortnight longer, in all which Time ſhe was able to take no Suſtenance but Balm-tea. Nov. 29 and Dec. 1, ſhe took two Doſes, 20 Grains each, of the Powder, which diſcharged by Vomit a great Quantity of yellow, putrid Matter; and ſoon after ſhe fell into a ſound Sleep, which was the more refreſhing, as ſhe had not cloſed her Eyes for three Weeks before. 'Tis almoſt incredible that the Fever was ſo radically cured, and this Patient recovered her Strength to ſuch a Degree as to be able to act as Nurſe, and to watch alternately in the long Illneſs of Ann Parry, which commenced about a Week after; and yet this is a well-atteſted Matter of Fact.

[The following Caſe is related more particularly and circumſtantially, as it will prove beyond Contradiction the Innocence and Safety, as well as the great Virtue and Efficacy, of theſe Excellent Powders.]

Ann Parry, of the ſame Pariſh, then very big with Child, and much fatigued by her Attendance on her Huſband in his Sickneſs, was December the 7th taken ill of this Fever. The whole Pleura was greatly affected with Stitches, and violent Pains extended themſelves to the Head, Face, and Neck. She loſt about 30 Ounces of fizy, dark-coloured Blood in the Beginning; and in Regard to her Circumſtances the Cure was at firſt attempted by Nitrous and Saline Medicines, without any Manner of Effect. The Danger became every Day more imminent. Dec. 19 the Fever was ſettled in her Head, was attended with excruciating Pains, violent Heat, Thirſt, Anxiety, &c. and ſhe had been confined a Week to her Bed, in which Time ſhe had not once ſlept. From the Beginning ſhe had been very importunate for the Powders, which ſaved her Huſband's Life. Accordingly this Night ſhe took about ſeven Grains, which were repeated every ſix Hours to a third Time. The Operation was very gentle. Next Day, Dec. 20, in the Afternoon, the Fever, with all its Symptoms, entirely left her: An happy Event for herſelf and Family! for at Night Labour-Pains came on, and ſhe was in two Hours delivered ſafely of a Child at its full Time. She continued well, her Condition conſidered, 'till Dec. 23, when the Symptomatick Fever appeared. Her Head was violently affected, and ſhe grew delirious. The Powders were repeated, and the Doſe increaſed with a proper Degree of Caution from 7 to 12 Grains. All Complaints were ſoon removed. Her Milk was preſerved. She gives Suck to the Child, and both are perfectly well.

[I can't help taking Notice, That, tho' all theſe Patients returned immediately to their ordinary Diet and Employments, and ſome of them expoſed themſelves to the Violence of the worſt Weather, none of them relapſed.]

☞ Theſe Powders were bought at Mr. Newbery's in St. Paul's Church Yard, who is the ſole Diſpenſer of them, and this it was thought proper to mention, as the Cure, muſt undoubtedly depend on having the Medicine genuine.
